OLD BUSINESS-

Taekwondo concession stand was a relative success, although there were lack of numbers. People assigned to work.....didn't show up! If anybody has a way of getting parents to show up and help, please suggest your idea. & possibly patent it. You could make a lot of money! There was some talk to speak with parents before the season and/or having parents put a deposit down for their kid's athletic events. Not a first choice, but a possibility.

Athletic Auction-

August 23rd is the date. We need to advertise better for it and hopefully get more businesses here to bid on our kids.

NEW BUSINESS-

Concession Stand for Track Season- need workers for the 5 meets that MFLMM host between junior high and high school. Anybody want to start up a list? Dave Corlett will take of junior high & Julie Vogt will take care of high school.

Booster Club will run an ad in Postville Herald congratulating Boys BB team.

Concession Stand for Golf Meet.....not worth it & won't do it-

Booster Club Fund Drive- need to go over list and do a better job of hitting all businesses. Be sure to get MarMac area and hit them up. Businesses in the area do seem to get hit up for everything.

Adjournment: Moved by Darren & seconded by Julie @ 3:36 pm.
